Interview Agenda

In the Office Action mailed on August 18, 2006, claims 1-15 are pending. The examiner indicated that dependent claims 4-8 would be allowed if re-written to include all the limitations for which the dependent claims depended. In response, Applicant amended the claims for the subject matter of claims 4-8, and additionally amended the remaining claims to either claim dependency to amended claims 4-8 or to incorporate all limitations in claims 4-8. On October 13, 2006 applicant received an office action indicating that the amendments would not be entered as they raised new issues. Applicant would like to discuss what new issues are raised by the amended claims to see if agreement can be reached on the allowable claims.

Respectfully submitted,
